PIEDRA
STONE COLLECTIONS

Whether you are true believer in the green movement or you're just passionate in bringing the beauty of nature into your home, there's no denying the appeal of natural materials in interior design.

PIEDRA, beautiful collections of porcelain tile designs inspired by natural stone & marble. Gorgeous and extremely durable, stone-look tile is definitely a smart choice for floors and walls, and very easy to take care of as well. With its fine variety of modern designs and sizes, PIEDRA is sure to add an elegant touch to any décor scheme.

NATO

The "Nato" series of porcelain tiles draws its inspiration from the serene beauty of nature, specifically the captivating scenes found on a beautiful beach. These tiles capture the intricate patterns left behind by the gentle caress of waves on sandy shores and the fascinating textures found on coastal stones. The result is a collection of tiles that effortlessly bring the tranquil essence of the beach into interior spaces. With the "Nato" series, you can infuse the calming and timeless allure of the seashore into your surroundings, creating spaces that exude both beauty and serenity.

Each different tiles series is produced to meet different performance requirements. For specific product technical performance, please request from WIFI sales team or their agent or distributor.

Colour Variations: Since the colour reproduction in this printed piece will vary from the actual tile colours, final selection should be made from tile samples. Colour, shade and glaze variations may exist due to the inherent characteristics of porcelain tile.
